

San Andreas State Legislature - Types of Measures

Type	Prefix	Numbering	Purpose
REQUIRES GOVERNOR SIGNATURE			
Bill	HB/SB	House: 1001 onward; Senate: 001 onward	Proposes the enactment, amendment, or repeal of state law. Bills must pass both houses through the full legislative process and be presented to the governor.
Concurrent Resolution	HCR/SCR	House: 1001 onward; Senate: 001 onward	Proposes amendments to the state constitution or calls a constitutional convention. Concurrent resolutions must proceed through the full legislative process and be passed by both houses, as well as be signed by the governor and referred to voters.
DOES NOT REQUIRE GOVERNOR SIGNATURE			
House Resolution	HR	1001 onward	Addresses matters concerning only the House of Representatives and requires adoption by the House alone. Examples include establishing a House dress code, recognizing a commemorative day, memorializing a former legislator, or censuring conduct.
Joint Resolution	HJR/SJR	House: 1001 onward; Senate: 001 onward	Addresses matters concerning both houses of the General Assembly and must be adopted by both houses. Examples include amending the joint rules, modifying session deadlines, and setting dates for a future session, or calling for a joint session.
Senate Resolution	SR	001 onward	Addresses matters concerning only the Senate and requires adoption by the Senate alone. Examples include establishing a Senate dress code, recognizing a commemorative day, memorializing a former legislator, or censuring conduct.
