

HOOUSE BILL 25-467

BY SENATOR(S) Ryan Wells
also REPRESENTATIVE(S) Celia Simmons, Jamie Barnes, Jeannette Murphy
AMENDING THE STATUTES CONCERNING THE ADOPTION OF A STATE FLAG

Be it Enacted by the General Assembly in the State of San Andreas,

SECTION	1	Of the San Andreas Revised Statutes "S.A.R.S"
ARTICLE	12	Of the San Andreas Revised Statutes "S.A.R.S"

BILL DESCRIPTION:

SECTION 1. SHORT TITLE

This Act may be cited as the "San Andreas State Flag Act of 2025"

SECTION 2. FINDINGS AND PURPOSE

(a) The General Assembly finds that a unique and representative flag is essential to symbolize the distinct identity, natural beauty, and aspirational spirit of the State of San Andreas.

(b) The General Assembly declares that the proposed flag design embodies the majestic landscape and bright future of our great state.

SECTION 3. OFFICIAL STATE FLAG.

(a) The flag described in subsection (b) of this section is hereby designated as the official State Flag of San Andreas.

(b) Description of the Official State Flag:

The official State Flag of San Andreas shall consist of a rectangular field divided into three primary horizontal sections and one prominent circular emblem.

(I) The uppermost section shall be a deep, rich blue, occupying approximately one-third of the flag's height, symbolizing the expansive skies and calm waters of the state.

(II) Centered within this blue field, slightly overlapping the middle section, shall be a vibrant golden yellow disc, representing the abundant sunshine, prosperity, and optimistic spirit of San Andreas.

(III) The middle section shall be composed of two prominent white triangular peaks, pointing upwards and positioned against the blue background. These peaks shall be joined at their base, forming an inverted "V" shape, with the point of the "V" extending downward to meet the lower section of the flag. These white peaks symbolize the snow-capped mountains and geographical grandeur of the state.

(IV) The lowermost section shall be a bold, striking red, occupying approximately one-third of the flag's height, forming the base for the white triangular peaks. This red color represents the rich earth, the courage of its people, and the fiery sunsets that grace our landscapes.

(V) The overall design evokes a sense of natural beauty, with mountains rising under a golden sun against a blue sky, grounded in the vibrant land.

SECTION 4. DISPLAY OF THE STATE FLAG.

The official State Flag shall be displayed in accordance with generally accepted flag etiquette and any regulations promulgated by the Secretary of State concerning its proper display.

EFFECTIVE DATE

SECTION 5. Act subject to petition - effective date. This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly; except that, if a referendum petition is filed pursuant to Article II, Section 15 of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2026 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor.
